IMMUNIZATIONS

Routine childhood vaccinations are an important way to ensure that your child and community remain healthy and protected against serious diseases. Hmong College Prep Academy encourages parents to make sure children are up to date on routinely recommended vaccines. Child wellness visits and checkups are essential for routine vaccination.

You can review the 2024 easy-to-read immunization schedule recommended by the Centers for Disease Control and Prevention (CDC) at www.cdc.gov/vaccines/schedules/hcp/imz/child-adolescent.html
